Volvo FH. The iconic long-haul truck.

The Volvo FH is the original long-haul icon, built to keep you comfortable and safe over the longest stretches. It's loaded with technology to boost your efficiency.

A distinctive headlamp shape and an upright cab profile, easy to identify from a distance.

Air suspended, Heated & Ventilated Drivers Seat.

The Volvo FH cabs are made to make your days on the road run smoothly. There's plenty of storage, dual refrigerators to keep food and beverages fresh and a microwave to heat your favorite snacks. And, of course, a really comfortable bed.
